

## WGC ECONOMIC PROGRAMS

# IV. Egypt Vision 2030

## DESCRIPTION

A distinguished program that presents and discusses the Sustainable Development Strategy (SDS): Egypt Vision 2030. The strategy represents the way towards inclusive development through which cultivating prosperity, achieving economic and social justice, and reviving the role of Egypt in regional leadership can be realized. SDS represents a road map for maximizing competitive advantage to achieve the dreams and aspirations of the Egyptians in a dignified and decent life.

## OBJECTIVES

- Present and discuss the formulated strategy including comprehensive targets for all pillars and sectors of the country.
- Exploring the strategy as an essential knowledge in the light of the circumstances prevailing in Egypt.
- Keeping up with current and future objectives and plans and developing better understanding of the current challenges and the solutions developed to deal with them.

## CONTENTS
